

BUSINESS DSL
BUILT FOR BUSINESS

More Reasons to Switch to Covad Business DSL

Free equipment. Free installation. Free month.

Now there are more reasons than ever to switch to Covad business-class broadband—free equipment*, free installation*, and a free month of service.

Covad Business DSL is designed to meet the demanding needs of businesses like yours. Whether you have one office or several locations, remote workers or telecommuters, we've got you covered, nationwide.

Business Reasons to Switch

- **Speed**—Outstanding performance options; up to 15.0 Mbps downstream
- **Separate dedicated connection**—Not shared over your phone line
- **Expert support**—We're always standing by with 24x7x365 support
- **Satisfaction guaranteed**—30-day, no-risk satisfaction guarantee
- **Service level agreements**—Industry-leading service level agreements
- **Go with experience**—We've been providing broadband to businesses for more than 10 years

Economic Reasons to Switch

Just order a qualifying Covad Business DSL line this month and save!

1. **Free installation**—We come to your office to install it—free
2. **Free equipment**—We include a free business-class router
3. **Free month**—We credit you back one full month's service fee

This offer applies to Covad Business DSL 3.0, 6.0, 8.0, 10.0, and 15.0 Mbps services only; rebate claim required for installation and qualifying equipment offers. For Covad Business DSL Plus (SDSL) 384, 768, 1.1, and 1.5 Mbps services, installation and equipment fees are automatically waived (no rebate required).

Use promo code
FREEMONTH
when you order.

Hurry, offer expires
May 31, 2008.

Call 800-931-9742 today. Offer expires May 31, 2008.

To get this incredible offer, ask for promo code **FREEMONTH** when you place your order.

* After rebates or waived fees depending on service selected.

Offer expires May 31, 2008. Free month of service will be applied as a credit paid in two equal installments on your first two full-month invoices. Customers will be charged sales tax based on the value of the equipment. Customers who disconnect service within 30 days after installation will be billed for the equipment unless it is returned per Covad's instructions. Netopia 2247NWG-T router must be selected for Business DSL services in order to qualify for installation and equipment rebates. Rebate forms must be submitted by July 31, 2008.
