Offer expires January 31, 2008. Bonded T1 offer (T1 3.0 Mbps) requires a minimum two-year contract to qualify for the free month of service. Covad 384, 768, or 1.5 services require a minimum one-year contract to qualify for the free month. Free month will be applied as a credit paid in two equal installments on your first two full-month invoices. Customers will be charged sales tax based on the value of the equipment. Customers who disconnect service within 30 days after installation will be billed for the equipment unless it is returned per Covad's instructions.
